I would like to have a talk about the most beautiful place in Moscow. To begin with, <sup>purpose</sup> I should say that there are a lot of sights in Moscow. Of course it is difficult for me to choose the only one, because I love everything in this city very much and I dream to live there.

So, in my opinion the best place in <sup>of</sup> Moscow, which should be visited by everyone including the tourists is the Red Square. It is really the best place in Moscow. When you go there, you see not only the <sup>of</sup> picture <sup>of</sup> russia buildings but also you can visit a lot of museums, theatres and <sup>of</sup> other <sup>of</sup> things. That's why I really love it.

This place and buildings <sup>of</sup> it have a long and interesting history. This is the main reason why the tourist should go there. And for others, <sup>of</sup> those who is not interested in history, there are beautiful parks, where all the citizens love to walk. It is not difficult to find the Red Square, because it is located in the <sup>of</sup> very centre of the city.

That's all I wanted to say about my favourite place in Moscow, so have a great fun in our capital!
